

EMERGENCY CONSENT

It is the policy of Burke Mountain Preschool to notify a parent when a child is ill or need medical attention. Occasionally, we cannot contact parents and we need to get immediate help for the child. Our procedure is to take a child to the nearest emergency service.

Please sign below so that we can take appropriate action on behalf of your child. Return a signed form to the preschool along with the other forms.

I hereby give consent to my child, _____, when ill, to be taken to the nearest emergency centre by the staff of Burke Mountain Preschool, when I cannot be contacted. I consent to an ambulance being called to transport the child if necessary.

Signature of Parent/Guardian
